# WRIGHT STATE UNIVERSITY

In the tradition of the nation's best universities, Wright State University is dedicated to teaching, research and service.

In addition, as a metropolitan university near Dayton, Ohio, Wright State has the distinct mission of providing leadership to improve the quality of life for the people of the Miami Valley. Wright State's link to area business, community and research organizations in and around Dayton also offers unique educational opportunities.

The university serves over 16,000 students with programs leading to more than 100 undergraduate and 40 graduate and professional

degrees through six colleges and three schools.

Wright State offers innovative educational programs, including doctoral programs in biomedical sciences, human factors and industrial/organizational psychology, medicine, and professional psychology; and the nation's only aerospace medicine residency program for civilians; and a post-master's educational specialist degree program.

Wright State's theatre, accounting, chemistry, geology and engineering programs are recognized for excellence. The WSU Lake Campus near St. Marys and

Celina, Ohio, offers associate and prebaccalaureate degrees.

# WRIGHT STATE UNIVERSITY

## THE UNIVERSITY

- ✓ The Paul Laurence Dunbar Library's Department of Archives and Special Collections houses one of the world's most complete repositories of original documents, memorabilia and personal photographs from the Wright brothers.
- ✓ The university's Ervin J. Nutter Center, completed in 1990, provides seating for up to 13,000 spectators for events ranging from basketball games and entertainment to conferences and commencements. It is home to the WSU athletics department and sports medicine facilities.
- ✓ Wright State University offers the nation's only aerospace medicine residency program for civilians.
- ✓ Over 80 percent of WSU's 700 faculty members hold advanced degrees.
- ✓ More than 50,000 students have graduated from Wright State since 1964, with nearly half of them remaining in the greater Dayton area.
- ✓ Over 2,100 of Wright State's students live in university-affiliated residences on or adjacent to the 557-acre main campus.
- ✓ An extensive underground tunnel system links most WSU main campus buildings, whose modern architecture is nationally recognized for being completely accessible to people with disabilities.
- ✓ Although most WSU students hold jobs on or off campus, many are involved in one or more of the 150 student clubs and organizations that give vibrancy to campus life.
- ✓ The university offers 14 Division I intercollegiate athletic programs and many students participate in the intramural sports programs.

## Where Innovation Meets Tradition

From the Wright brothers' first flight experiments to the invention of the first self-starting automobile ignition system by Charles F. Kettering, from the cash register to the automated teller machine, Dayton has a strong tradition of encouraging innovation, excellence and service to humanity. Over 900,000 residents and Wright-Patterson Air Force Base call Dayton's metropolitan area home.

Dayton is a place that takes as much pride in historical preservation and parks as it does in high technology. Located in southwestern Ohio's Miami Valley at the confluence of the Great Miami, Stillwater and Mad Rivers, Dayton is picturesque combination of rolling hills, flowing waterways and open spaces. Dayton boasts more green area than any U.S. city its size. Over 35,000 acres of parks, nature preserves and other greenery beckon you to enjoy your favorite outdoor activities, and a popular river corridor along the Great Miami River offers 26 miles of walking, jogging and cycling.

## In the Heart of the Midwest

Dayton welcomes its visitors with big-city amenities and small-town, Midwestern friendliness.

Dayton's central location among Columbus, Cincinnati and Indianapolis puts major collegiate and professional sports activities, cultural events and other recreational opportunities within easy driving distance. It's one of the nation's most accessible (and affordable) destinations. Chicago, Detroit and Cleveland are all within a day's drive, and Indianapolis and Louisville are even closer. Cincinnati is just 54 miles away.

Each year, over 2.5 million people visit Dayton for business and pleasure. Over 100 festivals and the United States Air and Trade Show, a four-day celebration of flight, delight visitors from all over the nation. The U.S. Air Force Museum at Wright-Patterson Air Force Base, the oldest and largest military aviation museum in the world, has become the nation's number one free visitor attraction.

Other notable places to see include the National African-American Museum and Cultural Center, the Museum of Natural History, the historic Wright Brothers Bicycle Shop and Carillon Historical park—a museum designated a National Historical Landmark by the National Park Service.

Dayton is strong in the arts. The Dayton Ballet Company is the nation's second-oldest regional company, and the Dayton Contemporary Dance Company is now in its 27th year. The Dayton Philharmonic Orchestra has been performing for over 63 years, and the 77-year-old Dayton Art Institute houses an internationally acclaimed collection of paintings, sculpture and decorative art spanning many cultures and time periods.

# ATHLETIC DIRECTOR

## DR. MICHAEL J. CUSACK

Growth and success have always been major ingredients of Wright State athletics since Dr. Michael J. Cusack was named director of athletics in April of 1982.

One of the major forces behind the move to Division I, Cusack continues to press forward with several major projects, including the current construction of a baseball, softball and tennis complex be-

side the Nutter Center. In addition to assisting with the design of the athletic components and the move of the athletic department to the Nutter Center in 1990, Cusack formed the Director's Club, a committee of prominent business and community leaders who sold premium seats in the new arena. Besides the "giving" clubs formed under Cusack, he has shaped other programs such as Together Everyone Achieves More (TEAM), The Raider Hall of Fame, The Captain's Club and the Varsity "W" Club.

In 1986, he helped design and unveil Rowdy Raider, the first official mascot of the university. The mascot appears on wearing apparel, athletic letterheads and spirit items.

The university continues to present a well-rounded program under Cusack's leadership. The university offers seven sports for men and seven for women. The student-athlete concept has prospered under Cusack's leadership, stressing the importance of classroom success. TEAM has also instituted a drug education program designed to help diagnose and rehabilitate potential abusers. In addition, he designed a community awareness program that carries a "Say No to Drugs" campaign to area youth.

Success has been no stranger to Wright State athletic programs since Cusack's arrival. The men's basketball team competed in the Division I basketball tournament for the first time in 1993 after winning the Division II national championship in 1983 and making two other regional appearances in Division II, including the 1986 tournament that Wright State hosted. The men's and women's swim teams made appearances in the Top 10 at the NCAA Division III championships. The baseball team made its first appearance in the Division I regional in 1994 after several regional tournament appearances in Division II, including a 1987 second-place finish at the Division II World Series. Also in 1987, the women's basketball program earned its first regional tournament bid, and in 1990 the golf team was selected for the Division I championships four years after the sport was reinstated to varsity status.

Cusack came to Wright State after spending four years as the director of athletics at Mercyhurst College in Erie, Pennsylvania. His major achievement at Mercyhurst was guiding the school from NAIA to NCAA Division II membership. He

also headed a project in 1981 to add a Division III football program. In its first year, the project sold more than 700 season tickets.

A native of Levittown, New York, Cusack earned his Bachelor of Science degree in physical education from Long Island University in 1964. He received his Master of Science degree in physical education from Queens College in 1969 and an Ed.D. degree in 1980 from New York University in administration of physical education and athletics.

Following graduation in 1969, Cusack spent nine years at Queens College as a member of the physical education faculty. He served as head baseball coach, assistant basketball coach and assistant athletic director. His baseball teams had a combined record of 65-27 with teams appearing in postseason tournaments each of the four years he was coach. He was inducted into the Athletic Hall of Honor at Queens in December 1986.

Cusack and his wife, Dorothy, live in Beavercreek. The couple have five children: Michael, David, Jennifer, Kristen and George. They have two grandchildren.

# 1996-97 OUTLOOK

For the first time since 1992, both the Wright State men's and women's swimming and diving squads are defending conference champions. With the graduation of only three seniors from those two squads, expectations are high for this season. Fourteen letterwinners return for the men's team while 17 return for the women.

The men's squad will be defending its title without Darren Heidenreich, who was named as the MCC's Outstanding Performer of the Year after winning individual titles in the 200 free, 500 free and 1650 free during the conference championship and participating in the winning 400 medley relay team.

Heidenreich, however, is Wright State's only loss from the championship squad as the other performers from last season return.

Leading the list of returnees is junior **Jason Schwartz**, who was the MCC champion in the 100 back, 200 back and 100 fly last season. He also was part of the 200 medley and 400 medley relay teams that were conference champions. Schwartz holds WSU records in the 100 back and 100 fly and was part of the 200 medley relay team that set a new Raider pool record last season.

Also returning for his senior season is **Stuart Wells**, who won individual conference titles in the 200 breast and the 200 IM. He also was part of the champion 200 and 400 medley relay teams. Wells holds the school record in the 200 IM and, like Schwartz, was part of the WSU pool record-setting 200 medley relay team.

Two other squad members who were part of WSU's conference champion relay teams also return in sophomore **Greg Snyder** (200 and 400) and senior **Ike Dryer** (200).

**Brian Gross** (fly, breast), **Chip Munz** (breast, free), **Joaquin Romera** (free) and **Jarret Streiner** (free, fly) round out the group of seniors hoping to lead the men's squad to another MCC championship.

Along with Schwartz, four other juniors are this season's squad. **Carter Irvin** (back, IM), **Craig McConkey**

(IM, breast), **Ross Stambaugh** (free, fly) and **Eric Wentzel** (fly, free) look to build upon their strong performances from last season and contribute to Wright State's success in 1996-97.

Joining Snyder as sophomores on the team are **Bob Ball** (diving) and **Tony Taphorn** (free, fly). Ball was the top diver for the Raiders last season while Taphorn was WSU's jack-of-all-trades, posting high marks in eight different events.

**Brian Berkey** (diving), **Mike Besco** (breast), **Jared Bitner** (diving), **Adam Cicora** (free), **Geoff Ellis** (back) and **Jason Rieskamp** (free) are all newcomers looking to make an impact in their first season at Wright State.

The women's squad is led by nine seniors who have contributed greatly to the Raiders' success the past few years.

**Amy Hutchinson** returns after winning the MCC titles in both the one-meter and three-meter dives last season, with her three-meter mark setting a new MCC meet record. She and fellow senior **Karen Lesh**, who finished second to Hutchinson in each of the diving events at the conference meet last season, should continue their strong performances this season.

Last year's Most Valuable Player, senior **Lana Goodrich**, also returns after winning an MCC title in the 200 back last season. Another senior who won a MCC title last season is **Julia Gaynor**, who was victorious in the 400 individual medley.

**Marnie Breen** (back, free), **Lori Canty** (breast, IM), **Lisa Eck** (free), **Stephanie Musk** (IM/back) and **Becky Randall** are also returning seniors who create a solid base for the Raiders to rely upon.

Only two juniors are on the women's roster. **Stephanie Besco** (breast, IM) set an MCC meet record in winning the 100 breast while **Christie Rieskamp** (back, free) was part

of the 200 free and 200 medley relay teams that also set conference meet records and the 400 medley relay team that won the conference title.

Three sophomores who won conference titles as freshmen return, led by last season's MCC Newcomer of the Year, **Kristin Cusimano** (free). Cusimano won MCC titles in the 500 free and the 1650 free along with setting two school records. Another is **Julie Graham** (breast, IM), who was the MCC champ in the 200 breast and 200 IM last season. The third is **Ellen Musk** (fly, free), who won the 200 fly.

**Suji Allen** (fly), **Amy Belinsky** (fly), **Alicia Duffey** (fly, IM) and **Kaisa Selesniemi** (fly, IM) round out the list of returning sophomores.

The women's squad has five newcomers in **Abby Garrison** (free, breast), **Sara Green** (free), **Kelly Oppelt** (back, fly), **Amy Smail** (free) and **Sarah Wiseman** (fly).

The Raiders open their season on Saturday, October 19, in a dual meet at home against MCC rival Butler. The 1996-97 schedule sports dual meets with Bowling Green, Oakland, Miami (OH), Toledo, Tampa, Cleveland State, Xavier, Wittenberg, Ball State and Cincinnati along with single meets with Eastern Michigan, Western Kentucky and Arkansas-Little Rock. The Raiders will also compete in the Miami Redskin Classic in December. For the second straight year, the MCC Championships will be hosted by Cleveland State on February 26-March 1, with the NCAA Championships to be held later in March.

Senior Lana Goodrich looks to defend her MCC title in the 200 backstroke this season.

# COACHING STAFF

**Matt Liddy**

**Head Coach**

**Eighth Year**

During Matt Liddy's seven years as Wright State's swimming coach, the program has enjoyed some of its greatest success.

Since being named the head coach prior to the 1989-90 season, Liddy has guided the Raiders to six conference titles and has received five Coach of the Year awards.

Liddy commanded yet another successful campaign last season when the men's and women's squads each won Midwestern Collegiate Conference championships. It was the second time in the last five seasons that both the men's and women's squads each won conference titles in the same year.

Prior to being named as the head coach, Liddy had a hand in directing the Raiders through three successful seasons as an assistant. He helped guide the Raider men's and women's teams to five Top 10 finishes at the NCAA Division II championships over that three-year period.

Liddy returned to his alma mater after compiling a 53-20 dual meet record as the head coach of the Dayton Northwest YMCA for eight years. He coached 78 swimmers to YMCA nationals, including several who were nationally ranked in their specific age groups.

A Dayton native, Liddy was a standout swimmer while attending Chaminade-Julienne High School. He was also a four-time YMCA national qualifier. Following graduation, he attended Eastern Kentucky University for one year before transferring to Wright State. Liddy earned a bachelor's degree in education from WSU in 1985.

Liddy has two children, Jeremy and Kayleigh, and resides with his wife, Lisa, in Englewood, Ohio.

## COACHING STAFF

**Paul Graham**

**Assistant Coach**

**Second Year**

While Paul Graham is entering his second year with the Wright State coaching staff, he is a familiar face to the swimming community. Graham spent one year as assistant coach of the Dayton Raiders before coming to WSU. Prior to that, he spent five years as head swimming coach of the Valley Area swim team in Harrisonburg, VA, where he tutored 34 YMCA All-Americans, two Junior National Qualifiers and eight USS Top 16 qualifiers.

While in Harrisonburg, Graham was also a volunteer assistant coach for the James Madison University men's and women's swimming teams, which were both three-time Colonial Athletic Association champions. Graham's previous experience includes stints as interim assistant coach for the Dayton Raiders, assistant coach for the Beavercreek YMCA and a year as a volunteer assistant for Wright State.

A four-year letterwinner in swimming for Marshall University, Graham graduated from there in 1988 with a degree in sports management and marketing. He currently resides in Bellbrook, Ohio.

**Liyi Wang**

**Diving Coach**

**Sixth Year**

Head diving coach Liyi Wang has made some indelible marks in his five seasons at Wright State. In 1991-92, he coached the North Star Conference Diver of the Year, Jodi Train, and helped her earn 1993 Mid-Continent Conference Female Diver of the Year honors as well. In 1994, he led Amy Hutchinson to become the Mid-Continent Conference's Female Diver of the Year and then directed her to the same award in the MCC in 1995. The numbers are up in the diving program, and the foundation for a great future has been laid.

Prior to coming to WSU, Wang was an assistant diving coach at Princeton University for two years. Born in Shanghai, Wang was an accomplished diver himself as a member of the Shanghai diving team from 1960 to 1971, earning fourth place in the 1965 Chinese National Games. Wang then coached the Shanghai divers for six years and spent 10 years at the helm of China's national team when three of his female divers were World Cup champions. Wang also led China's Olympic squads in 1980, 1984 and 1988.

Wang graduated from the Shanghai Physical Education Institute in 1966. He was awarded the Chinese All-Sports Honorable Award, which is the highest award given by the Chinese Sports Federation.

Wang resides in Dayton, Ohio, with his wife, Yalei Li, and son, Pei Chang Wang.

## COACHING STAFF

### **Paul Schreiber**

**Assistant Coach**

**Second Year**

In his second year as assistant swimming coach is former Raider swimmer Paul Schreiber. A four-year letterwinner at Wright State from 1986–90, Schreiber competed in the backstroke events during his Raider career. After graduation, he coached at the Dayton Northwest YMCA for five years, where he produced several national qualifiers and nationally-ranked age group swimmers. He and his wife, the former Maria Haffner, who also swam at Wright State, live in Englewood with their daughter, Hannah.

### **Dr. Drew Pringle**

**Strength Coach**

**Fifth Year**

Returning for his fifth year as strength coach is Dr. Drew Pringle. He has helped the swimming and diving program mature through his knowledge and personal commitment. Dr. Pringle graduated from Ball State in 1977 with his bachelor's degree and in 1980 with his master's degree. Upon graduating from Kentucky with his doctoral degree, he spent four years at Barry University as an assistant professor in the School of Pediatric Medicine. He has spent the past five years as assistant professor for rehabilitation research in the School of Medicine at Wright State. He resides in Fairborn, Ohio, with his wife, Joni, and son, Garrett.

### **Harold Miller**

**Assistant Diving Coach**

**Seventh Year**

Harold Miller enters his seventh season as the Raiders' assistant diving coach, but he is hardly a newcomer to the profession after a stint as Wright State's head coach from 1973–80. Miller started the Dayton Raiders diving club in 1973 and has coached 11 All-Americans, two YMCA National Champions and one National Junior Olympic Champion. As assistant diving coach, he is responsible for many tasks of both the swimming and diving programs. The father of former Raider standout Rick Miller, he and his wife, Kay, live in Centerville, Ohio.

# 1995-96 SEASON REVIEW

After both squads finished second in their first MCC Championship in 1994-95, the Wright State men's and women's swimming and diving teams took a step higher last season as both won conference championship titles.

Both continued their dominance of MCC teams as they went 3-0 in dual meets against conference schools, pushing their mark to 7-0 in such meets in the two years Wright State has been part of the MCC.

The men's team set two new conference meet records with Stuart Wells in the 200 breast and Darren Heidenreich in the 1650 free. Heidenreich also won MCC titles in the 200 free, 500 free and was part of the winning 400 medley relay. As a result, he was named as the MCC's Outstanding Performer of the Year.

Overall, Wright State won 10 of the 20 events on the men's side and finished second in three other events. Jason Schwartz, like Heidenreich, won three individual titles and was part of the winning 200 and 400 medley relay teams. Wells won two individual titles and was part of the medley relay teams that won conference titles.

After breaking seven school records, one WSU pool mark and 11 MCC meets records last season, the 1995-96 men's team set five school records, four WSU pool marks and two MCC meet records. The Raiders saved their best efforts for last as

their top performances in 18 events were achieved in the conference meet.

The women's team won their fourth conference title in five years as they won 13 of the 20 events at the MCC meet and had seven second-place finishes. The Raiders set five MCC meet records, three individual and two relay, and also broke five school marks on the season.

Three Raiders won two individual titles each on the women's side last season, two of them freshmen. Kristin Cusimano won the 500 and 1650 freestyle events while Julie Graham won MCC titles in the 200 breast and 200 individual medley. Junior Amy Hutchinson won both the one-meter and three-meter

diving competitions, including setting a MCC meet record in the three-meter diving.

Also winning MCC crowns on the women's side was Lana Goodrich in the 200 back, Stephanie Besco with a new MCC meet record in the 100 breast and Ellen Musk in the 200 fly.

Along with Heidenreich's honor of being named

the men's Outstanding Performer of the Year, one other swimmer earned postseason conference honors as Kristin Cusimano was named as the women's Newcomer of the Year. Head Coach Matt Liddy was named as the men's co-Coach of the Year and as the women's Coach of the Year.

Senior Stuart Wells was the MCC Champion in both the 200 breast and in the 200 IM last season.

# MIDWESTERN COLLEGIATE CONFERENCE

Coming off one of its most successful years ever, the Midwestern Collegiate Conference enters its 18th campaign poised to move among the nation's top 10 Division I athletics conferences.

The MCC has established specific goals for upgrading the league's market and competitive positions, with an eye towards continually enhancing the student-athlete experience. The conference is an affiliation of nine institutions with similar athletics goals that provides stability and major-market exposure.

MCC markets, including five of the country's top 30 television markets, now include nearly nine million TV households and encompass roughly nine percent of the nation's television audience. The member institutions are generally located in major metropolitan areas and benefit from the business, cultural, educational and entertainment resources available to the university community.

The MCC is anchored in a solid tradition that began in 1979. Originally formed as a men's sports league, the conference added women's athletics in 1986-87. League members continue to advocate competitive athletics as a valuable educational experience and as an important component in the process of higher education.

The MCC features both public and private institutions committed to fielding a broad-based NCAA Division I athletics program that develops physical fitness, academic development and moral character in its student-athletes. Among the MCC's established operating principles are efforts to enhance the student-athlete

experience and to maintain integrity, gender equity, academics excellence and fiscal responsibility in the athletics enterprise.

Best known for its men's basketball success, the MCC offers a total of 16 different championship sports (eight for men and eight for women). The league enjoys NCAA automatic qualification or play-in access in baseball, men's basketball, women's basketball, men's soccer, softball and volleyball. The conference and its members have established ambitious goals for these "target priority" programs and continue to pursue national prominence in each.

The MCC has been headquartered in Indianapolis since 1985, contributing to the city's image as the "Amateur Sports Capital of the World." In addition to many conference championships held in the city, the MCC and

Butler University have co-hosted a number of high-profile NCAA events.

Commissioner Jon LeCrone, the league's chief executive since June 1992, heads a six-person administrative staff. Dr. Maureen A. Fay, O.P., the president at the University of Detroit Mercy, begins her first year as the MCC president this fall, while UDM director of athletics Brad Kinsman chairs the conference's Executive Council. Peg Wynkoop, associate director of athletics at Wright State University, is the second delegate to the Executive Council, and Dr. Charles Hartmann, faculty athletics representative at WSU, chairs the FAR committee.

## IN TRIBUTE

The 1996-97 Wright State Swimming and Diving Media Guide is dedicated to the memory of Mike Bresser for all his years as a Raider parent, fan, supporter and official. He dedicated many hours to our program acting in all of these capacities and also ran the timing system during home meets. His daughter, Karen, swam for Wright State from 1991-95 and holds the school record in the 500 freestyle. He will definitely be missed by all involved in the swimming and diving program.
